We look forward to spending Christmas with you! x

The Christmas period is a particularly busy time for us, as a result we will require a non-refundable deposit to be paid and/or a pre-order to be placed on all Christmas bookings. Please look out for this information when placing your booking or get in touch if you have any queries.

All bookings remain provisional at the current time and cannot be confirmed fully until the UK Government provides updated guidance. Once this is the case we will contact you to confirm the details of your booking. Your deposit will remain safe and in the unfortunate event that your booking cannot proceed due to Government guidelines, we will refund your deposit in full, using the original method of payment.
